Dear Ms. Jensen:

This is a request to extend the variance for the Honey, I Shrunk the Audience laser light show. The variance number and accession numbers are as follows:

Variance Number 86V-0093  
Accession Number 86V0222

I would like to request the extension for the maximum period allowed as there are no plans to terminate the laser light show.

As always, if you should have any questions, please don't hesitate to contact me at (407) 938-2447.

Sincerely,

Tony Zmorski, CSP
